

Spring 2022

Stanford University
AA 289/CS 529: Robotics and Autonomous Systems Seminar

Instructors:

Prof. Marco Pavone
Office: Durand 261
Email: pavone@stanford.edu

Prof. Jeannette Bohg
Office: Gates 244 (Wing 2A)
Email: boh@stanford.edu

Organizers:

Mengxi Li
Email: mengxili@stanford.edu

Shreyas Kousik
Email: skousik@stanford.edu

Ransalu Senanayake
Email: ransalu@stanford.edu

Location and time: Gates B01, Fridays, 12:15 - 1:15pm (Apr 1 - May 27)

Units: 1.

Course websites: https://stanfordasl.github.io/robotics_seminar/

Course Content: Seminar talks by researchers and industry professionals on topics related to modern robotics and autonomous systems. Broadly, talks will cover robotic design, perception and navigation, planning and control, and learning for complex robotic systems.

Prerequisites: Students should be interested in robotics research; prior or concurrent attendance of foundational courses in robotics and robot autonomy (e.g., CS223A and AA274) is highly recommended.

Course Grade: Attendance will be taken during the seminar. Students should attend at least 7 of 9 talks during the quarter to receive credits. If a student is unable to attend a seminar in person, the student should watch the seminar recording and submit a one paragraph review within seven days. If a student is unable to attend multiple seminars, then the student should write a one paragraph review for each seminar that is missed. Please email Ransalu, Mengxi, and Shreyas to confirm if you must miss a seminar.

Students with Documented Disabilities: Students who may need an academic accommodation based on the impact of a disability must initiate the request with the Office of Accessible Education (OAE). Professional staff will evaluate the request with required documentation, recommend reasonable accommodations, and prepare an Accommodation Letter for faculty dated in the current quarter in which the request is made. Students should contact the OAE as soon as possible since timely notice is needed to coordinate accommodations. The OAE is located at 563 Salvatierra Walk (phone: 723-1066, URL: <http://studentaffairs.stanford.edu/oae>).
